Principal

Principal's Message

Oak Ridge High School is a unique and diverse school that serves approximately 2,350 students. Oak Ridge High School offers a complete compliment of advanced placement, college preparatory, vocational and fine arts classes. Our goal is, in partnership with parents and students, to meet every student's level of academic need; failure is no longer an option.

Oak Ridge High School (ORHS) is a whole Title I program school. We receive funding that allows us to provide all of the necessary equipment and supplies to each classroom. We are also participating in a program (RCAT+) that has provided leadership training and school improvement models. In addition we participate in CLAS, designed to present a cultural and linguistically sensitive classroom and to improve the educational environment for our African-American students. There is a participation team at PHS involved with West Ed and SLI to adopt and improve schoolwide teaching and learning strategies.

Oak Ridge High School is no longer eligible for II/USP funding.

Parental Involvement

We encourage all parents to become an active partner in their child's education.

For more information on how to become involved, contact Annette Smith, parent volunteer coordinator, at (555) 555-4100 ext. 1250, or by e-mail at asmith@OakRidge.k12.ca.us.

Class Size

The three-year data for the average class size is displayed. For grades 9-12, class size is displayed by subject.

Positive Learning Environment

Oak Ridge High School offers a wide array of extracurricular activities for its students. We support a complete schedule of athletic teams for both male and female athletes. We are a member school of the North Coast Section. We have over 30 different clubs on campus that provide students opportunities to involve themselves in the culture and climate of the school.

An active leadership program at PHS meets daily to plan events and provide activities that help promote a positive school spirit and a sense of pride.

Oak Ridge High School employs a full-time Community Resource Officer on campus. Our CRO helps maintain a safe environment on campus. We have five full-time administrators that handle the daily operations of the high school. A sixth, from 10:00 a.m. to 8:00 p.m., administrator is planned for the 2005-2006 school year. We are also one of the few remaining schools in the area that provide full counseling services to our students.

Oak Ridge High School (PHS) students are provided AIDS, STD, pregnancy prevention, nutritional guidelines, life skills, and steriod education through their health and physical education classes.
